EAST KITCHEN WALL PERSPECTIVE, HAND RENDERING

OVERVIEW

Elyse & Brittney Douglas, professionals based in Sherwood, OR, remodeled their 2010s farmhouse. They love **cooking** together, **collecting art**, and relaxing at home. The home balances Elyse's **modern aesthetic** with Brittney's **cozy style**, prioritizing natural light, open spaces, and art displays.

Functional needs include a **guest-ready second bedroom**, a **chef-ready kitchen**, a primary bathroom with **separate vanities & ample storage**, and **space for entertaining**. The vision blends **warmth, elegance, and practicality** to create a refined yet inviting home suited to their lifestyle.

OVERVIEW

Dolores is a retired engineer who will build her **minimalist dream home** in the woods, embracing nature and simplicity. She enjoys photography, birdwatching, and woodworking. Her home features **high ceilings**, built-in storage, a cozy reading nook, and a workshop. She also enjoys having her **large family** to visit.

Functional needs include a solar-powered design. Mid-tier **modern kitchen** with **wine storage**, **breakfast seating**, and **an open layout to the living room**. From there, the focus should be on the view out the **floor to ceiling windows**, with **no digital entertainment**.

OVERVIEW

Pat & Craig updated their home with a vibrant **transitional remodel**, embracing **rich hues** and **elegant contrasts**. They adore shades of **orange & red**, pairing them with **dark wood** finishes for warmth and depth. Blending function and style, the design created a **refined yet colorful** retreat suited to their lifelong passions.

Functional needs include a primary suite that **balances the feminine & masculine**. A **reading nook with built-in shelving** is a must.

OVERVIEW

Hollie & Kris renovated their N. California foothills home to enhance its **traditional, ranch-inspired** feel while making it perfect for **large gatherings**. The design embraces **warm tones with green & copper accents**, creating a welcoming space for family and friends. The remodel balances **elegance, practicality**, and their love for outdoor living & entertaining.

Key updates focus on a functional kitchen with **separate cooking & baking areas, ample pantry space**, and **seating for three**. Bathrooms prioritize guest-friendly storage and comfort.

SOUTHWEST PERSPECTIVE, CHECK-IN & CONCIERGE, RENDERING, SKETCHUP + ENSCAPE

OVERVIEW

Eleanor & Vincent revitalized their longtime boutique hotel in Grand Rapids with a **souful, yet modern edge**. Rooted in creativity & local artistic influences, their vision blended **sustainability, updated technology, and elevated functionality**. Passionate about preserving its artistic charm, they sought to transform outdated interiors into **inspiring, efficient spaces** while honoring the community's **cultural richness**.

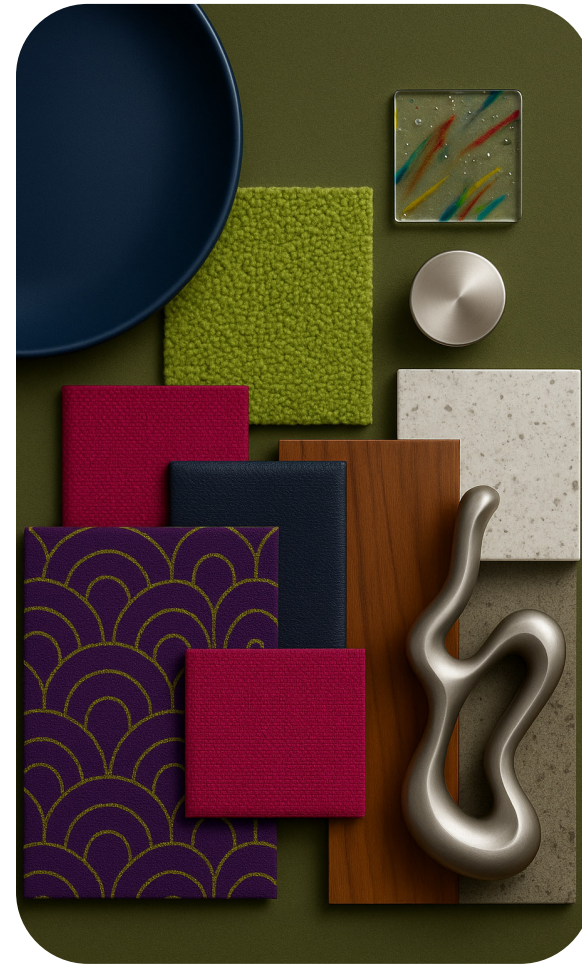

Functional needs included **improved accessibility, enhanced guest flow, and sustainable finishes**. Design balanced warmth & sophistication, offering guests an **immersive, uplifting experience**.

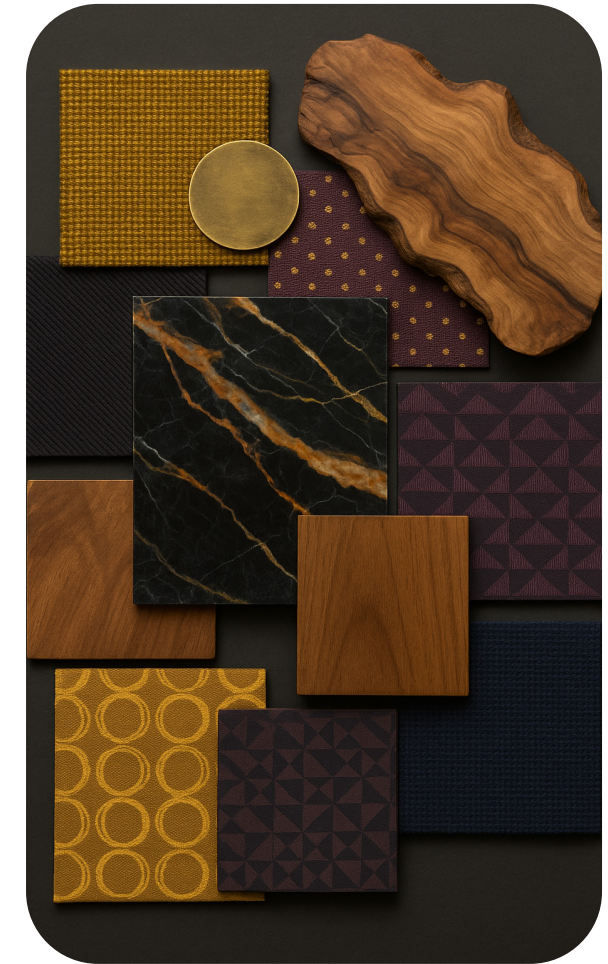

Warm Nouveau

Elegance with plum, Dijon, and olive tones—layered textures, brushed brass, and Nouveau details

Modern Mix

Vibrancy combining navy, fuchsia, lime, & coral with warm woods, brushed silver hardware, & abstract details

Lux Speakeasy

Moody mix of bold stone, rich woods, aged brass, & geometric fabrics in plum, mustard, & midnight tones
